Dear Families,

It is June! We are almost through the school year and thank you for all your courage and persistence during this pandemic. We will make it and I am grateful for all you are doing for OLV and your family!

Re-registration: Tuition will remain the same as last year and your contracts will be EXACTLY the same. Mrs. Nava will be calling you to make an appointment with Ms. O'Sullivan to sign the contract or you can call the office and make the appointment to complete it sooner. Thank you.

Last Sunday we streamed the 9am Mass at Our Lady of Victory Church and the Catholic Daughters of America (CDA) gave three scholarship awards. The CDA will be sending the scholarship awards checks to the Catholic High schools the students will be attending.
