Dear Families,

This is an exciting week because we will have the 8th Grade Graduation this Friday at 11am. Because of COVID 19, we will film it and have it on our website for all to see!

Please come to school and **turn in your school iPad** on Monday, June 22, Tuesday, June 23, or Wednesday, June 24th. Thank you.

June 15-June 19 will be minimum days and on the last day of school, we will all stream Mass with Father Gilberto at 9am. That will conclude the 2019-2020 school year!

Tuesday, June 16th will be the Transitional Kindergarten Promotion and on Wednesday, June 17th will be the Kindergarten Promotion. Both celebrations will begin at 10:30am but only one car per family can participate. Congratulations to all the students!
