Dear Families,

The 8th grade graduation was well done. Thank you, Mrs. Larios, for all your hard work!

The Transitional Kindergarten Promotion and the Kindergarten Promotion was very nice and thank you to Mrs. Martinez and Mrs. Guevara for all their work to make the day special for our students.

Please come to your classroom and **turn in your school iPad** and pick up any items you left in the classroom on Monday, June 22, Tuesday, June 23, or Wednesday, June 24th. Your teachers will be in their classrooms from 9am – 12:00pm all three days. Please wear a mask. Thank you.

June 15-June 19 are minimum days and on the last day of school, we will all stream Mass with Father Gilberto at 9am. That will conclude the 2019-2020 school year!

The L.A. Archdiocese has three strong, potential Principal candidates and we will be interviewing them next week and we hope to have the new Principal by July 1st!

A HUGE thank you to all of your teachers during this Distance Learning time and thank you to all the parents that helped out in this difficult time. We made it and we hope to open the doors to our students on August 20th for the 2020-2021 school year.

Thank you for allowing me to serve this community! I have enjoyed my time at Our Lady of Victory Catholic School and this community is amazing!

Blessing to you all,

Ms. O'Sullivan
