Dear Parents/Guardians:

The Lord is Risen and as believers, are witnesses of this! As your principal, I want to welcome you to this spring season and with this, an invitation to enroll you daughter/son to the next school year 2021-2022 scheduled to begin on Wednesday, August 25, 2021.

While we are preparing to have in-person instruction with children and continue remote learning for some students later this month, the next year will most likely be full and in-person. For now, in enrollment planning, I invite all enrolled and new parents to the school to enroll their son or daughter into the 2021-2022 school year.

Mindful of financial changes that many of our families have undergone due to the pandemic, I will not be raising the tuition for next year. There will be however, some increases to some annual fees. Please refer to the table below for information on dates, tuition, and fees.
